

## Attosecond Physics

**Ferenc Krausz**

Ludwig Maximilian University - Muenchen, Garching, Germany

### CV:

1991 PhD Vienna U. Technology

1991-93 postdoc, Vienna U. Tech

1998-04 professor, Vienna U. Tech 2003 Director,  
MPQ, Garching, Germany

2004 Professor, LMU, Munich

**Research:** ultrashort-pulse laser technology, high-field physics, attosecond physics, nonlinear optics, x-ray physics; control and real-time observation of the atomic-scale motion of electrons; development of compact, laser-driven sources of coherent x-ray and low-emittance particle beams
