

Hard X-ray Photoelectron Spectroscopy

Yasutaka Takata

RIKEN SPring-8 Center, Japan

CV:

1992 PhD Hiroshima University

1993-2000 IMS, Okazaki

2000 Senior Research Scientist, RIKEN SPring-8 Center

Research: photoelectron, photo-absorption and soft X-ray emission spectroscopy with symmetry selection. HAXPES of high-K dielectrics, dilute magnetic semiconductors, strongly correlated materials
