

## **Multimodal imaging: Bright-Field, Phase Contrast and Dark-Field Imaging of Tissue Samples**

**Oliver Bunk**

SLS, PSI, Switzerland

CV:

1999 PhD U. Hamburg

2000-2004 Post Doc, Riso National Lab

2004 – staff scientist, cSAXS, SLS, PSI

Head, coherent X-ray scattering group

**Research:** coherent X-ray scattering. New experimental methods. Bio-imaging using scanning small-angle X-ray scattering and coherent diffractive imaging
